You are here: IntelliDealer Menus > Product Support > Equipment Product Support > Prospect Board

Prospect Board

Use the **Prospect Board** screen to add, edit and view prospective sales opportunities. Or, if you have purchased the **JD Quote II** feature, use it for **JD Quote II** purchase orders/quotes that are still in progress or have yet to be accepted .

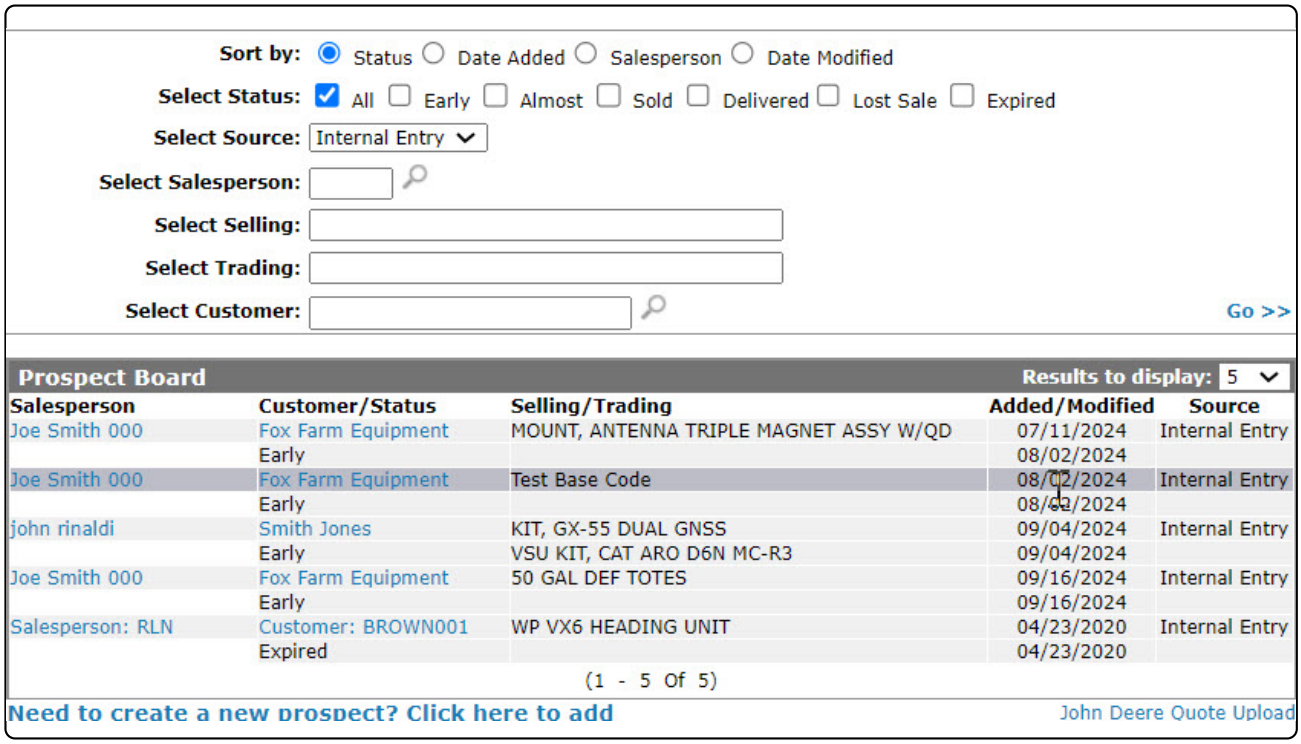
To open the **Prospect Board** screen, navigate to **Product Support > Equipment > Prospect Board**.

Prospect Board screen

Data Source: CGISP

Security: 807 - Product Support - Prospect Board

Revision: 2025.05



The sorting options on the **Prospect Board** screen are:

Sort by	
Field	**Description**
Status	Sort the search results by status.
Date Added	Sort the search results by the date the prospect was added
Salesperson	Sort the search results by salesperson.
Date Modified	Sort the search results by the date they were last modified

The search fields on the **Prospect Board** screen are:

Field	Description
Select Status	Search for a prospect by selecting a status radio button
Select Source	

	Search for a prospect by selecting the source of record; either **Internal Entry**, **JDQuote**, or **All**. When **JDQuote** is selected in this field, rather than displaying prospective customers, the **Prospect Board** lists any quotes that have been created but not yet accepted in the JD Quote II system. See About JD Quote II.
Select Salesperson	Search for a prospect by entering a salesperson
Select Selling	Search for a prospect by entering a selling unit
Select Trading	Search for a prospect by entering a trading unit
Select Customer	Search for a prospect by entering a customer name

The fields on the **Prospect Board** screen:

Field	Description
Salesperson	The name of the salesperson associated with the prospect.
Customer/Status	The customer name and status of the sale/prospect.
Selling/Trading	The unit being sold to the customer and any units being traded in by the customer.
Added/Modified	The date the prospect was created, added or modified.
Source	The source that the prospect originates from.

Comments added in the **Comments** field on the Prospect screen appear on a second line under the **Customer/Status** field.

Click the **Need to create a new prospect? Click here to add** link to add a prospect.

Click the **John Deere Quote Upload** link to upload a *JD Quote II* quote/ potential purchase order using the **John Deere Quote Upload** screen. The **John Deere Quote Upload** link only appears if your dealership has been licensed to use the *JD Quote II* interface and the **Access JDQuote Upload** switch is activated on the **Authorization List for Product Support - Prospect Board** screen. See **About JD Quote II**.

To edit an existing prospect, click a **Salesperson** name to open the **Prospect** screen.

Click a customer name in the **Customer/Status** field to open the **Customer Profile** screen.
