Equipment Invoicing

Data Source: CGIINH

Security: 802 - Equipment Invoicing

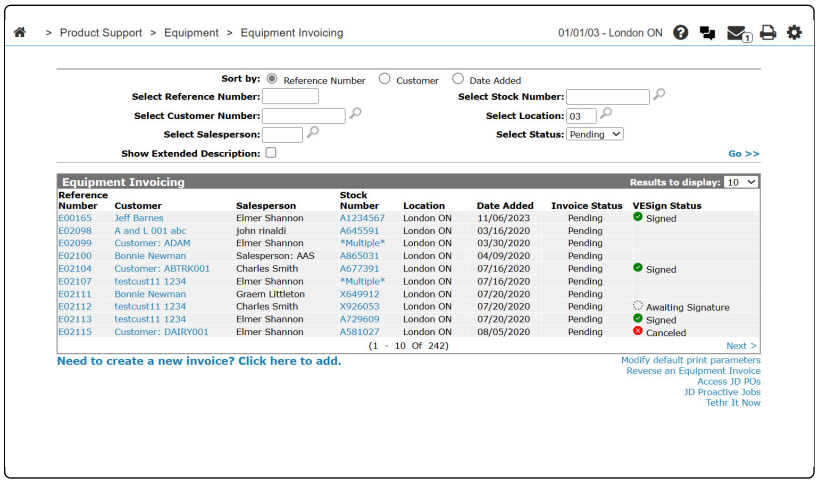
Revision: 2026.04

You can use the **Equipment Invoicing** screen to:

- search for equipment invoices
- create an invoice
- modify printing parameters
- reverse the sales of a stock number
- view or edit an equipment invoice
- copy an equipment invoice

To open the **Equipment Invoicing** screen, navigate to **Product Support > Equipment > Equipment Invoicing**.
-or-
Click on the **View Details** icon next to the **Pending Equipment Sales** field on the Sales Support Portal screen.

Equipment Invoicing screen



The sorting options on the **Equipment Invoicing** screen are:

Sort by	
Field	Description
Reference Number	Sort the search results by reference number.
Customer	Sort the search results by customer.

Date Added	Sort the search results by invoice creation date.

The search fields on the **Equipment Invoicing** screen are:

Field	Description
Select Reference Number	Search for equipment invoices by entering a reference number.
Select Customer Number	Search for equipment invoices by entering a customer number.
Select Salesperson	Search for equipment invoices by entering a salesperson.
Show Extended Description	If selected, includes extended equipment description within the invoice search results.
Select Stock Number	Search for equipment invoices by entering a stock number.
Select Location	Search for equipment invoices by entering a location.
Select Status	Search for equipment invoices by selecting an invoice status from the drop down list.

The fields on the **Equipment Invoicing** screen are:

Field	Description
Reference Number	The reference number for the equipment invoice. Used to locate and identify equipment invoices throughout the system.
Customer	The name of the customer associated with the equipment invoice.
Salesperson	The salesperson assigned to the equipment invoice.
Stock Number	The stock number of the unit.
Location	The branch location of the equipment invoice.
Date Added	The date the equipment invoice was created.
Invoice Status	The status of the equipment invoice • **Pending**—the invoice is not yet been processed. • **Invoiced**—the invoice has been generated and is awaiting payment. • **Released**—the invoice has been processed and payment has been released.
VESign Status	The signing status of the VESign document. Can be one of: • **Awaiting Signature**—all signatures are pending. • **Partially Signed**—more than one signature is pending. • **Signed**—all required signatures are complete. • **Canceled**—signing has been canceled. • If no status is present, then the document has not been sent for electronic signing. IntelliDealer checks for a status update every 30 minutes.

Move the cursor over a **Reference Number** and select either **Edit** or **Copy** from the pop-up menu to edit or copy an equipment invoice.

Click on a **Customer Name** to open the Customer Profile screen.

Click on a **Stock Number** to open the Equipment Profile screen.

Click the **Need to create an invoice? Click here to add** link to create a new invoice.

Click the **Modify default printing parameters** link to modify printing parameters.

Click the **Reverse the sales of a stock number** link to reverse the sale of a stock number or reverse a rental invoice.

Click the **Access JD POs** link to view any quotes that have been accepted in the *JD Quote II* program in the **Access JD POs** screen. The **Access JD POs** link only appears if you are licensed to use the *JD Quote II* interface and the **Access JD POs** switch is activated on the **Authorization List for Product Support - Equipment Invoicing** screen.

Click the **JD Proactive Jobs** link to open the John Deere Proactive Jobs interface.

Click the **Tethr It Now** link to open the Tethr It interface.

Click the **Close** button you to complete your work on the **Equipment Invoicing** screen.
