Credit Limit Analysis

Data Source: CMASTRE

Security Switch: 600 - Access Credit Limit Analysis

Revision: 2024.01

The **Credit Limit Analysis** screen allows you to search for and view customers whose A/R balance has reached or surpassed their credit limit by the specified percentage.

Topics in this section are:

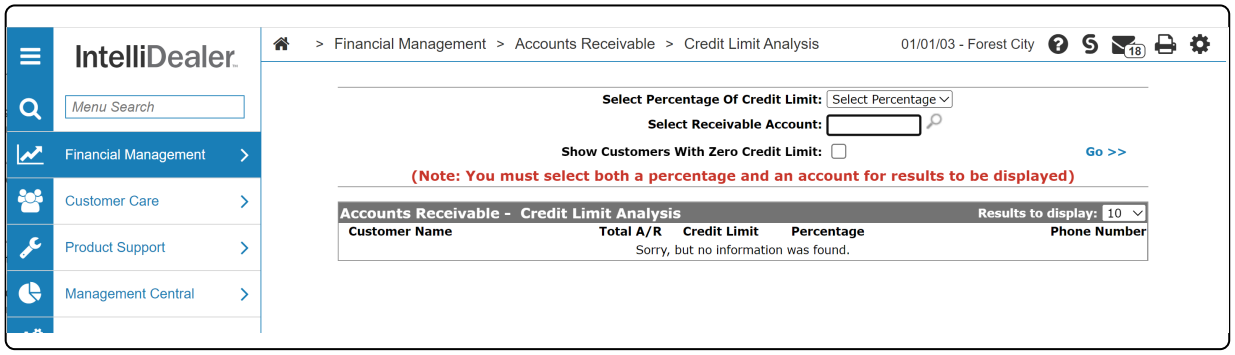
- Viewing a Credit Limit Analysis
- Screen Description

Viewing a Credit Limit Analysis

1. Navigate to either of these locations:
    - **Financial Management > Accounts Receivable > Credit Limit Analysis**
    - **Management Central > Financial > Credit Limit Analysis**

    The **Credit Limit Analysis** screen appears.

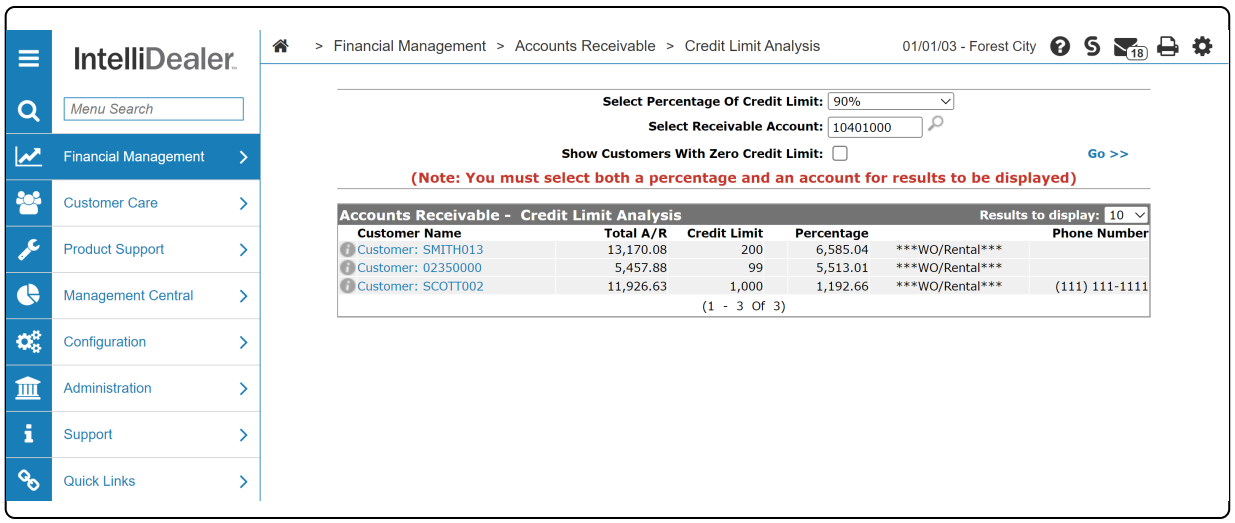
Credit Limit Analysis screen



2. To locate the desired customer(s), enter the selection criteria and click **Go>>**.

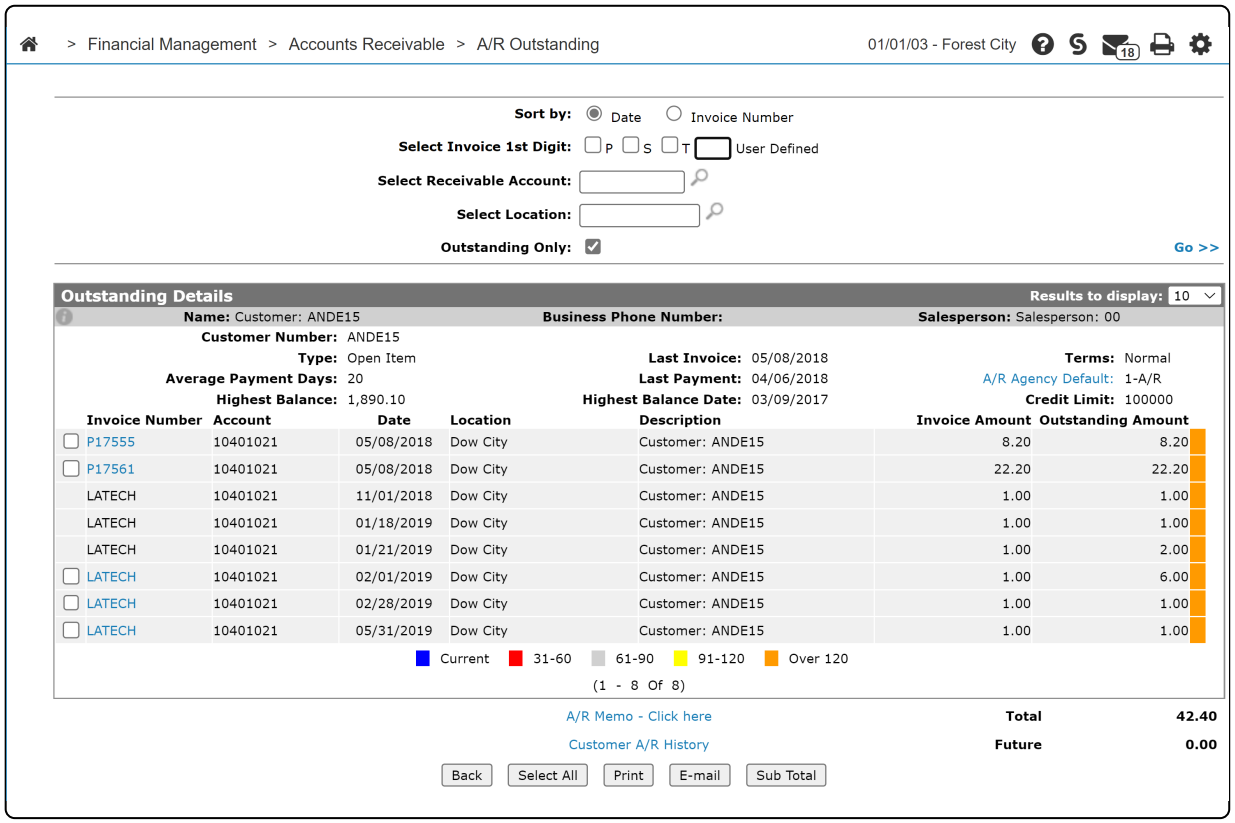
   For results to be displayed, you must select both a **Percentage of Credit Limit** amount and a **Receivable Account**

Updated Credit Limit Analysis screen



3. To open the Outstanding Details screen for a customer, click on a **Customer Name**.

Outstanding Details screen



4. Click the **Information** icon to view the Customer Profile screen for this customer.

Screen Description

The search fields on the **Accounts Receivable - Credit Limit Analysis** screen are:

Field	Description
Select Percentage of Credit Limit	Enter a credit limit percentage that will return customers that match or exceed the percentage.
Select Receivable Account	Enter the receivable account you wish to compare against.
Show Customers with Zero Credit Limit	If selected, includes customers with zero credit limit in the search results.

To update the table with customers who match the search criteria click **Go >>**

The fields on the **Accounts Receivable - Credit Limit Analysis** screen are:

Field	Description
ⓘ	Select the **Information**ⓘ icon to view the Customer Profile screen for this customer.
Customer Name	The customer's name.
Total A/R	The customer's total accounts receivable for the account selected in the **Select Receivable Account** field.
Credit Limit	The customer's credit limit.
Credit Rating	The customer's credit rating which shows the state of the customer's credit. The credit limit/rating comes from the corresponding cash code on the A/R Agency tab of the **Customer Profile.**
Percentage	The total percentage by which the customer has exceeded their credit limit.
Equipment Disposition	Shows if the customer currently has a machine in the shop on a Work Order, or if the customer has a machine on Rental.
Phone Number	The customer's phone number.

Click on a **Customer Name** to open the Outstanding Details screen.
