Accounts Receivable: A/R Outstanding

Data Source: ARFile

Security Switch: 600 - Access A/R Outstanding

Revision: 2023.11

The **Account Receivable - Outstanding A/R** screen allows you to view accounts receivable outstanding in a graph or pie chart. To run reports on A/R Outstanding, see Running Accounts Receivable Outstanding.

The **Accounts Receivable - A/R Outstanding** screen is available at these locations:

- **Financial Management > Accounts Receivable > A/R Outstanding**
- **Management Central > Financial > Accounts Receivable**
- On the **Sales Support Portal** screen, click the **View Detail** icon next to **Outstanding A/R**.
- In the **Product Support > Rental > Supervisor**, click the **A/R Status** tab.

  When viewing this screen from the **Rental Supervisor A/R Status** tab, it only displays information about rental invoices that are still outstanding in the A/R system.

Topics in this section are:

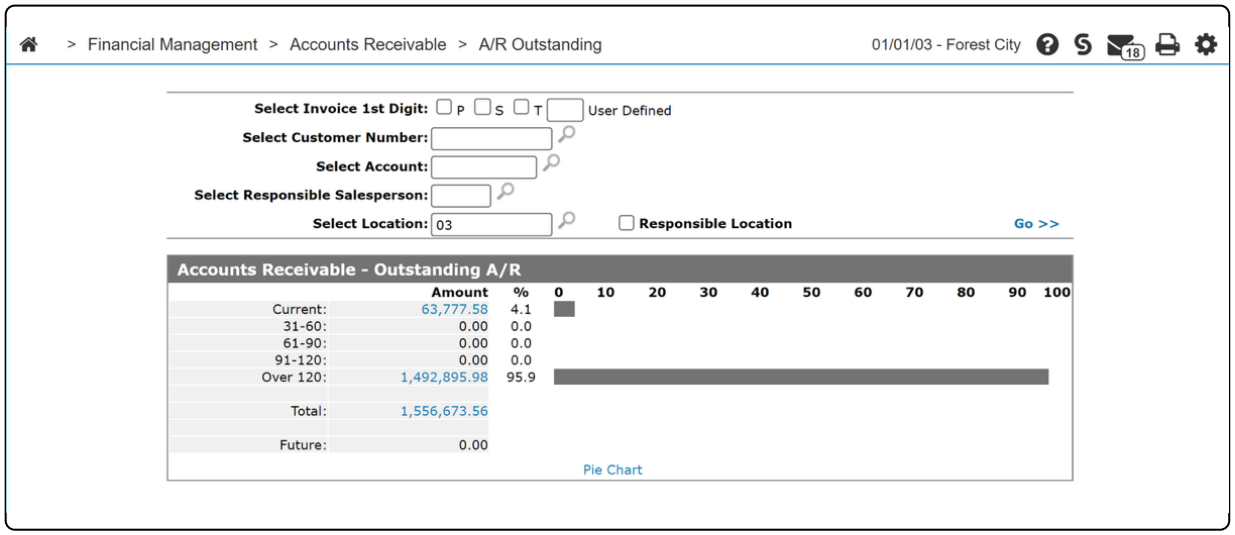
- Running Accounts Receivable Outstanding
- Screen Description

Running Accounts Receivable Outstanding

1. Navigate to the Accounts Receivable - A/R Outstanding screen.
2. Enter your search criteria in the appropriate fields and click **Go >>** to begin the search.

   The A/R outstanding data matching your search criteria is returned and the chart updated accordingly.

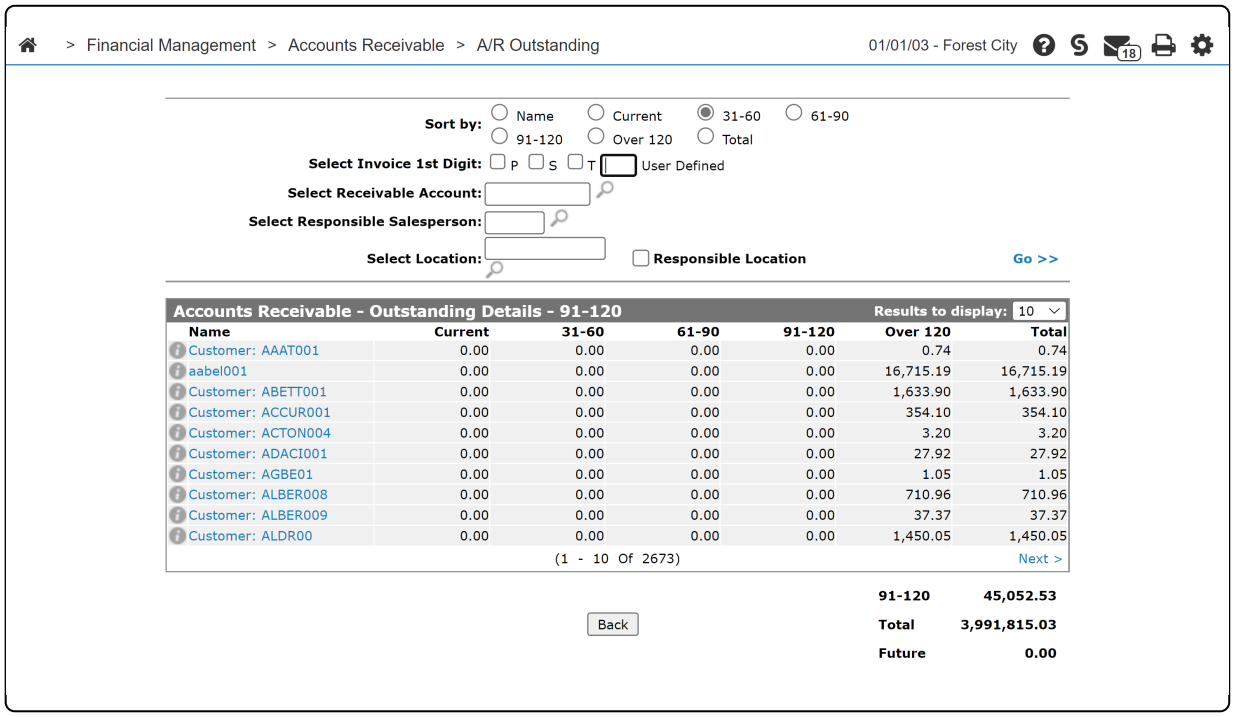
Accounts Receivable - Outstanding A/R screen



3. Click the desired **Total** link to view the details of that aging period.

   The **Accounts Receivable - Outstanding Details** screen for the period appears and displays a customer listing from highest to lowest dollars outstanding.

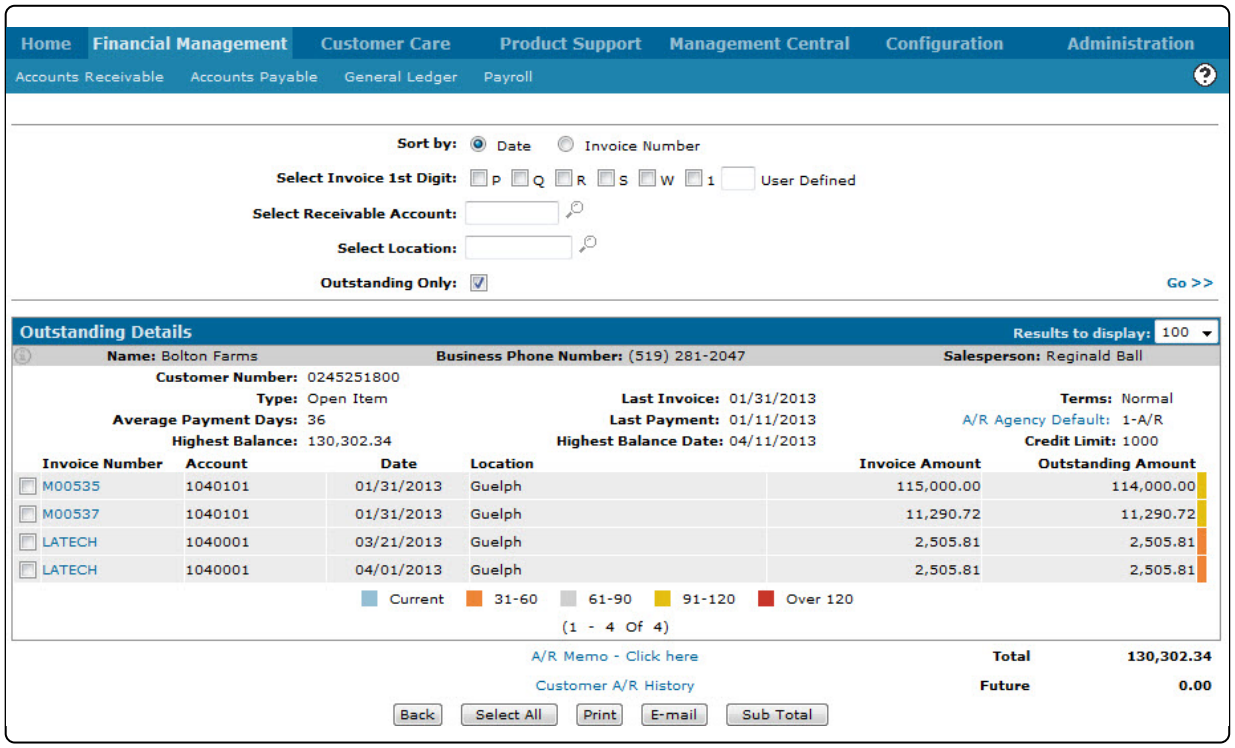
Accounts Receivable - Outstanding Details screen



4. Click the customer **Name** to view a list of A/R invoices from this customer.

   The Outstanding Details screen appears with a list of vendor invoices.

   Outstanding Details screen



5. Click on the checkbox next to the invoice(s) you wish to print. or click **Select All** to select all the available invoices.
6. Click the **Print** button.

   The Print Invoice screen appears.
